Play Football Self Registration Portal

As a Participant looking to register for the up-coming season, you will need to create a **Football Account** (<https://www.ffa.com.au/football-account>) If you already have a **Football Account** please sign in.

Any existing participants will have to '**claim**' their account details, when a participant creates a **Football Account** the details used to create the account will be checked to see if there is any details from Myfootballclub that match.

If there is a match the participant will need to 'claim' those details as their own and proceed with their registration.

Create a Football account link >>> <https://account.footballnetwork.com.au/register>

Login to your Football account link >>> <https://account.footballnetwork.com.au/>

If you are required to set up other Club Administrators, please refer to the User Access Guide available through the 'Help' Portal located on the Play Football Website.

FFA respects the privacy of individuals about whom we collect personal information. The personal information that FFA collects from you via the Football Family registration form is collected for the purposes of processing your registration, sending you information about FFA (including information regarding our commercial partners and sponsors and related products and services), information about football matches, tickets and related events, assisting with your enquiries and for other purposes set out in our [Privacy Policy](#).

You acknowledge that the information you provide will be collected by FFA and may be given to third parties (such as Ticketek, IT providers or venue operators) we engage to help us run our business for the purposes outlined above or as required by law. Without your personal details, we can't register you or send you the information you've requested. Our [Privacy Policy](#) tells you more, including how to contact us to access and correct your details or make a complaint.

By signing up, you consent to the collection, use and disclosure of your personal information as described above.
